

WINE LIST

SPRING 2017

Italian-American heritage draws heavily from the regions of Southern Italy where large numbers of immigrants left for America during the late 19th and early 20th centuries and introduced the cuisine of their homeland to cities where they settled. As an Italian-American restaurant, the influences of Southern Italy play a large role at Angeleno and our wine list pays homage to those traditions.

Our team looks forward to guiding you through the regions of Southern Italy and introducing you to the varietals found there. For something more familiar, you will also find offerings from some of our other favorite regions across the wine world. Since Chef David hails from Los Angeles, you will find a choice selection from the wine regions of California where founders of some of the most famous wineries trace their roots back to those same Italian immigrants.

A note about our corkage policy:

We allow you to bring a maximum of two 750ml bottles per table for your enjoyment. Each 750ml bottle will be charged \$75 for corkage and serviced by our experienced wine team. Large format bottles will be charged according to their volume.

We offer a generous one-for-one policy that allows you to enjoy your wine without corkage when you buy a bottle from us. Being passionate wine lovers ourselves, we want you to be able to enjoy your favorite bottles at Angeleno, but we are also a small, family run restaurant and as such, request your understanding. Cheers!

CHAMPAGNE

The growers and producers of Champagne and Sparkling Wines we represent is small but their impact is enormous. We choose to focus on small, artisanal producers who's quality and purity are inspiring. To single out one is unfair, but you need to look no further than the Mathieu family based in the small town of Avirey-Lingey in the Aube. Serge handed over the reigns to his daughter Isabelle and her husband Michel in 1996 and they continue to produce Champagnes that display a balance of both power and finesse. We have a very special relationship with the Mathieu family and are proud to be the only restaurant representing their range of amazing Champagnes!
